PROFILE

Enthusiastic Frontend Developer with hands-on experience in building fully responsive websites and web apps using modern technologies like HTML, CSS, JavaScript, React.js, and Next.js. Completed several real-world projects including e-commerce platforms, interactive tools, and portfolio websites. Quick to adapt, learn new tools, and write clean, reusable code with a strong focus on UI/UX and performance.

PROJECTS

E-commerce Website

- Built a responsive furniture e-commerce platform using Next.js and Tailwind CSS. Implemented features like product listing, detail pages, shopping cart, and dynamic routing. Deployed on Vercel for fast and scalable delivery.
- Tech Stack: Next js, Tailwind CSS & Vercel

Figma To Code Template

- Converted a creative Figma template into a live frontend using Next.js and Tailwind CSS, maintaining pixel-perfect responsiveness and clean layout structure.
- Tech Stack: Next js, Tailwind CSS & Vercel

Makeup Multi-Page Website

- Built a modern and responsive multi-page website for a makeup brand using Next.js and Tailwind CSS. The site includes homepage, product pages, and a contact section with smooth navigation and elegant UI.
- Tech Stack: Next js, Tailwind CSS & Vercel

Resume Website

- Designed and developed a personal resume portfolio website using HTML, CSS, and TypeScript. Showcases skills, projects, and contact info in a clean and responsive layout.
- Tech Stack: Html, Css & Typescript
